XPRESS BILL PAY

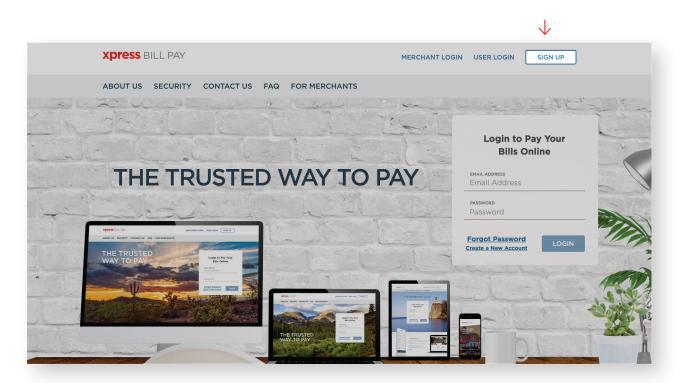

Instructions for First Time Users

STEP 1: Go to www.xpressbillpay.com

You probably arrived here via a link from your billing organization's website. Perhaps you are here because you received a mailer with your bill informing you that this new service is available to facilitate the payment of a bill online.

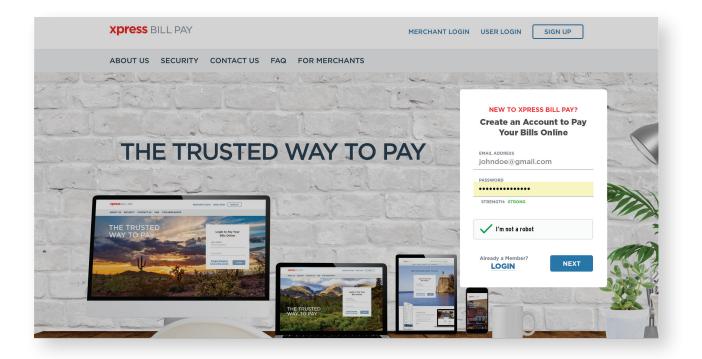

Whatever the reason, this instruction set is designed to help you create a secure login, link a bill for display each time you login, and walk you through the payment process. Other features are available, including auto pay, bill history, payment history, etc. These additional features are covered in other documents.

Let's begin by selecting the **"SIGN UP"** button at the top of the screen on our main Home Page. You will be presented with the following screen.

STEP 2: Set Up New Account Information

Fill in the **email address** and **password** fields, click in the box **"I'm not a robot"** and follow the instructions as prompted. Select **"NEXT"** to continue.

Fill in the form with all of the required information. Read the terms and conditions and the privacy policy. Select the box indicating that you have read and agree to the terms and conditions and privacy policy. When completed select **"NEXT."**

If you elect to pay with a **bank account from checking**, please be certain that you enter the routing number from a check. The routing number from a deposit slip is **NOT** valid and the payment will be returned. When paying with **a credit or debit card**, be sure to verify the billing address. An incorrect address can cause delay or decline of the card.

STEP 9: Payment Receipt

With a successful payment, a green "**SUCCESS!**" message will display. If the payment is unsuccessful for any reason, you will receive a message stating why the payment was unsuccessful. You may print the receipt for your records by clicking the printer image in the upper right corner. You may select **"Back to Home"** to be returned to the **"Accounts"** screen.
